🧑‍🏫 From Passion to Peace by James Allen is a self-improvement book that explores the transformation of the human spirit from emotional turmoil to inner peace. Allen describes a journey of self-mastery, starting with passion where desires and emotions control one's actions moving through self-discipline and selflessness, and ultimately reaching a state of inner harmony and enlightenment. The book emphasizes the power of thought, the importance of self-control, and the role of wisdom in achieving true peace. Through moral and spiritual refinement, Allen guides readers toward a life of serenity and fulfillment.

The first three parts of this book, Passion, Aspiration, and Temptation, represent the common human life, with its passion, pathos, and tragedy. The last three parts, Transcendence, Beatitude, and Peace, represents the Divine Life calm, wise and beautiful of the sage and Savior. The middle part, Transmutation, is the transitional stage between the two; it is the alchemic process linking the divine with the human life. Discipline, denial, and renunciation do not constitute the Divine State; they are only the means by which it is attained. The Divine Life is established in that Perfect Knowledge which bestows Perfect Peace.
